

Features & Finishes

SPECTACULAR BUILDING FEATURES

- The Thornhill Community is nestled on 3.5 acres of carefully groomed land. Set within the established charm of South Thornhill, the residence will rise at the corner of Bathurst Street and Beverley Glen Boulevard.
- Beverley offers thoughtful layouts designed for optimal living.
- A dedicated 24-hour concierge will warmly welcome residents and guests upon entrance to the stunning lobby, designed by the world-renowned interior design firm, HOK.
- Surrounded by the quaint comforts of this exclusive South Thornhill neighbourhood, residents will enjoy everyday conveniences including exciting shops, cafés, restaurants, schools, luscious parks, local transit (Viva Line) and commuter highway networks (Highway 407 and Highway 7) – all just steps to The Promenade Mall.

INCREDIBLE BUILDING AMENITIES

Residents will enjoy exclusive use of the many lifestyle amenities located on the ground floor, second floor and seventh floor.

Ground floor amenities at Beverley include:

- Family Room with a children's area designed for playing games, arts and crafts and educational activity.
- A bright co-working space with bookable meeting room and social areas.
- Gymnasium with basketball nets and open space for sports and friendly competition.
- A fully equipped pet wash made simple and luxurious for beloved family pets.
- Outdoor community courtyard, a great place to relax or mix and mingle with neighbours.
- Enjoy resident gardening plots and greenhouse, nestled amongst the privacy of the professionally landscaped areas, designed by Toronto's Land Art Design.
- Dog lovers and their furry friends will enjoy the fully fenced, on-site dog run area.

Second floor amenities include:

- Fitness centre with a yoga studio, providing a place to achieve fitness goals without distractions.

Seventh floor amenities include:

- Outdoor terrace with plenty of dining spaces, BBQs, lounge areas and a climbing play structure for the kids to explore.
- Bookable indoor party room and dining room with direct access to the outdoor patio with private entertaining areas.

SUITE FEATURES

- Approximately 9 ft. ceiling heights in principal rooms, defined as Living Rooms and Dining Rooms. Where bulkheads or dropped ceilings are required, the height of the ceiling will be less than 9 ft. All measurements are calculated from the finished concrete slab floor to the underside of the concrete slab or finished ceiling above.
- Entry door to be pre-finished, with painted custom surround.
- Contemporary 4" baseboards in all areas except Bathroom(s) and Laundry Room, which have a tile baseboard.
- Contemporary 2" casings throughout.
- Flat panel interior doors with satin chrome lever hardware.
- Framed mirrored sliding closet doors in Foyer and Bedroom(s), as per plan.
- Suite walls primed and painted in latex flat finish off-white paint; Kitchen, Bathroom(s) and Laundry/Storage to be painted in latex eggshell off-white paint. Latex semi-gloss off-white paint on trim. All paint is low VOC.
- White, smooth, painted ceilings in all areas.
- Swing door to balcony with minimum 865mm clearance and low threshold, as per plan.
- Minimum 865mm clearance on all doorways.
- Minimum 1500mm turning radius at entry.
